TO-DAY'S GAMES Fort Wayne at Wheeling.

Springfield at New Castle.

Dayton at Youngstown.

Toledo at Mansfield.

Wheeling won a one-sided game from Fort Wayne yesterday afternoon. Glasscock put the exploded National league "phenom" from Louisville, Bra-shier, in the box, and the reception he received from the now hard-hitting Stogies in the opening inning soon sent im into enforced retirement. Seven batsmen faced him and the result was Iwo bases on balls, a three-base hit, a two-bagger, a single and an error by Bergen, giving the home team four runs, with but one hand out. Glass-cock then substituted Wienig, but the Stogles showed him no more mercy than they had given Brashier. Two singles and Letcher's error in the outfield brought in two more runs, bring ing up the total to six for the inning. Parvin was on the slab for the Wheel-

ings, and he gave a masterly exhibition of the art of pitching Atthough he was hit safely eight times, three of these were the veriest scratches. The team gave "Bones" great support in the field. Leaby's excusable error on a ball that bounded badly being the only misplay. Dobbs opened up in the first with a corking two-bagger to the centre field

fence. Brashler was wild and gave "Billy" Niles a life on four wide ones. Then Donahue soaked the sphere good and hard for three bases, storing both Dobbs and Niles. Lyons' out to Belden scored Donahue from third. Turner drew a base on balls, and Lytic's infeld hit, on which Bergen made a mess of the throw to Glasscock, sent Turner to third. Taylor hit safely a hot liner over Brashler, on which Turner scored. Brashler was taken out and Wienig substituted, but it made no difference, Leahy making a clean single and filling the bases. Parvin struck out, and Dobbs sent a long fly to deep centre, which Letcher got under, bot he muffed it, and two more runs, Lytic's and Taylor's, came in. Niles was the third out. Then Donahue soaked the sphere good

out.

The Stogles bagged three more in the third on Taylor's base on balls, Leahy's sacrifice, Dobbs' base on balls and two two-baggers in succession by Niles and Donahue. in the eighth Wheeling scored

Again in the eighth Wheeling scored once on Turner's clean homer over the right field fence, a batting exploit that greatly enthused the crowd. Two more were scored in the ninth on Niles' life on Babb's drop of an easy fly. Donahue's second two-hagger, followed by Turner's single.

Parvin, who was invincible for seven innings, let up a little in the eighth and ninth, allowing the visitors to score once in each inning:

CARE are of the small things. If we take care of the small things. If we take care of the small things. If we take care of the small things we are in effect taking care of the large things which the small things combine to make. That is the philosophy of the lold financial proverb, and its application is as broad as human life.

Take care of what you eat, when you eat, and how you eat, and your stomach will take care of itself. But who takes care of such trivial things? That is why, someday, the majority of people have to take care of the stomach. When that day comes, there is no aid so effective in undoing the results of past care-lessuess as Dr. Pierce's Golden Medical Discovery. It strengthens the stomach, and restores the organs of digestion and nutrition to a condition of healthy activity. It cures biliousness, heartburn, flatulence, indigestion, palpitation, diziness, cold extremities, and a score of other ailments which are but the symptoms of disorder in the stomach and its allied organs.

If you are sick you can consult Dr.

If you are sick you can consult Dr. R. V. Pierce, Buffalo, N. V., by letter, free of charge. Each letter is treated as sacredly confidential, and an answer is promptly sent in a plain envelope without printing or advertising upon it.

"I was troubled with very frequest headaches, often accompanied by severe constituing," writes Miss Mary Belle Summerton, of San Diego, Duval Co. Feas. "My bowels were fregular and my stomach and Heer exemed conditionally and sometimes abdedly subling for twenty-four hours of a time. I was entirely unfit, for work, and my whole system seemed so run-down that I feared a severe sick spell and was very much discouraged. I was advised to try Dr. Pierce's Golden Medical Discovery and did so with such satisfactory results that before finishing the third bottle I felt perfectly able to undertake the duties stending public school Ille, and continuated to do so. I most heartify advise those sullering, with indigestion, and its attendant cits, to give this great medical biscovery? when a laxative is needed.

### BASE BALL COMMENT.

Wheeling and Fort Wayne meet again on the Island park's diamond this afternoon at 4 o'clock, when Saturday's gam will be contested. The game played Thursday was Friday's. Wells or Whis-Thursday was Friday's. Wells or Whis-sen will pitch for the Stogles, and "Big Cy" Swatm, who has been visiting his family over in the wilds of Tuscara-was, county, will come in this morning and condition himself to give the Wheel-ing, batamen the backache to-day. In the last Fort Wayne series here he went up in the air and was knocked out.

The Stogles gave the Hoosiers another downward push yesterday afternoon, when the visitors were beaten decisive-ly. Do it again this afternoon, boys.

Brashler, who was knocked out of th by a series, who was knocked out of the box yesterday afternoon by the Wheelings, will quit pitching at the close of this season, and next year he will be played in the outfield by Fort Wayne. He is a hard sticker.

Parvin pitched an elegant game, and showed the doubting ones that he is not a has-been, as some of the fans were beginning to believe.

Business Manager Hubbard, of the Fort Waynes, says Wheeling now has as good a team as there is in the league. He believes the Stogics will be a factor in the race for the Inter-state pennant in 1900. He says Strockel is biuffing about leaving the Inter-state, and that he worked the same old story in the fall of '98, but he and Toledo are yet in the league.
